

GS ENGLISH SOCCER TRAINING

U9 & U10 PDP – 5:00-6:00

The philosophy behind this program is to let the game teach the players. The game will guide them through the development with a little help from our professional staff.

The facility used has a wood floor, so indoor sneakers are required (best practice is to change into sneakers at the school so they don't bring dirt from outside –thus the players shoes grip) Shin guards are a must, NO GUARDS NO PLAY!

No need to bring a ball, we use two different kinds of balls. For skill development portion of the session we use a ball designed for indoor play (it plays slower helping with skill development). When we scrimmage (small sided allowing more touches) we use a FUTSAL ball which is smaller leather and heavier promoting more small touches to control and increase the speed of play.

Dates Jan 15, 22, 29, Feb 5, 12, 19, 26 Mar 5

Location: Vare Field House Springside School, 8000 Cherokee Street, Chestnut Hill
